Dear Principal,

We are pleased to inform you that your school has been Accredited without Warning for the 2006-2007 school year. This action was taken at the Board of Trustees meeting of the North Central Association Commission on Accreditation and School Improvement (NCA CASI) held in Chicago on April 1, 2007. On behalf of the accredited schools in the Association, we extend congratulations to your school, staff, and community.

Enclosed, please find an accreditation seal for you to affix above the 2006-07 school year on your NCA CASI accreditation certificate. We encourage you to display your certificate in a visible location so that the school community is aware of your accreditation.

To help you share and celebrate your accreditation with your community, we have created an on-line Administrator Public Relations Kit available at www.ncacasi.org/members/prkit. The kit includes: press releases, advertisement templates, Q&A guides for the community, and more. We encourage you to visit the PR Kit, download the accreditation press release, and send it to your local media to share your accreditation with the broader community.

We are pleased to inform you that your NCA CASI accreditation now connects you with an even larger network of schools and extends your mark of approval beyond the North Central region. Last year, the NCA CASI Board of Trustees and the Board of Directors of the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI) voted to bring together NCA CASI, SACS CASI, and the National Study of School Evaluation (NSSE) into one strong and unified organization known as AdvancED. As part of this unification process, the NCA CASI Board of Trustees has approved the AdvancED bylaws to serve as the bylaws for NCA CASI. This action requires approval from the NCA CASI membership. A ballot form with more detailed information is enclosed.

Again, congratulations on your accreditation. We look forward to serving you in the 2007-08 school year and years to come.

Sincerely,

Mark A. Elgart
